1. The amendment filed on September 30, 2008 has been entered. Accordingly:
 - The specification has been amended; Claim 3 has been amended; claims 1 and 2 have been canceled.

Reasons for Allowance

2. Claims 3 and 4 are allowed.

The prior art of record, including US Patent Application Pub. No. US 20040020509 A1 (Waisman), does not show or suggest the applicant's invention as claimed. Specifically, the prior art of record does not disclose a portable case combining:

- A case body including a forwardly and upwardly inclined concave portion located where the case body is attached to the cover body; and the light emitting elements placed within the concave portion as recited in the amended independent Claim 3

Claim 4 is necessarily allowed because of its dependency on the allowable base claim 3

The above-indicated combination including – a typical orientation and positing of a concave portion of the case body, and positioning of the light emitting elements within the concave part, is unique.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2885

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
